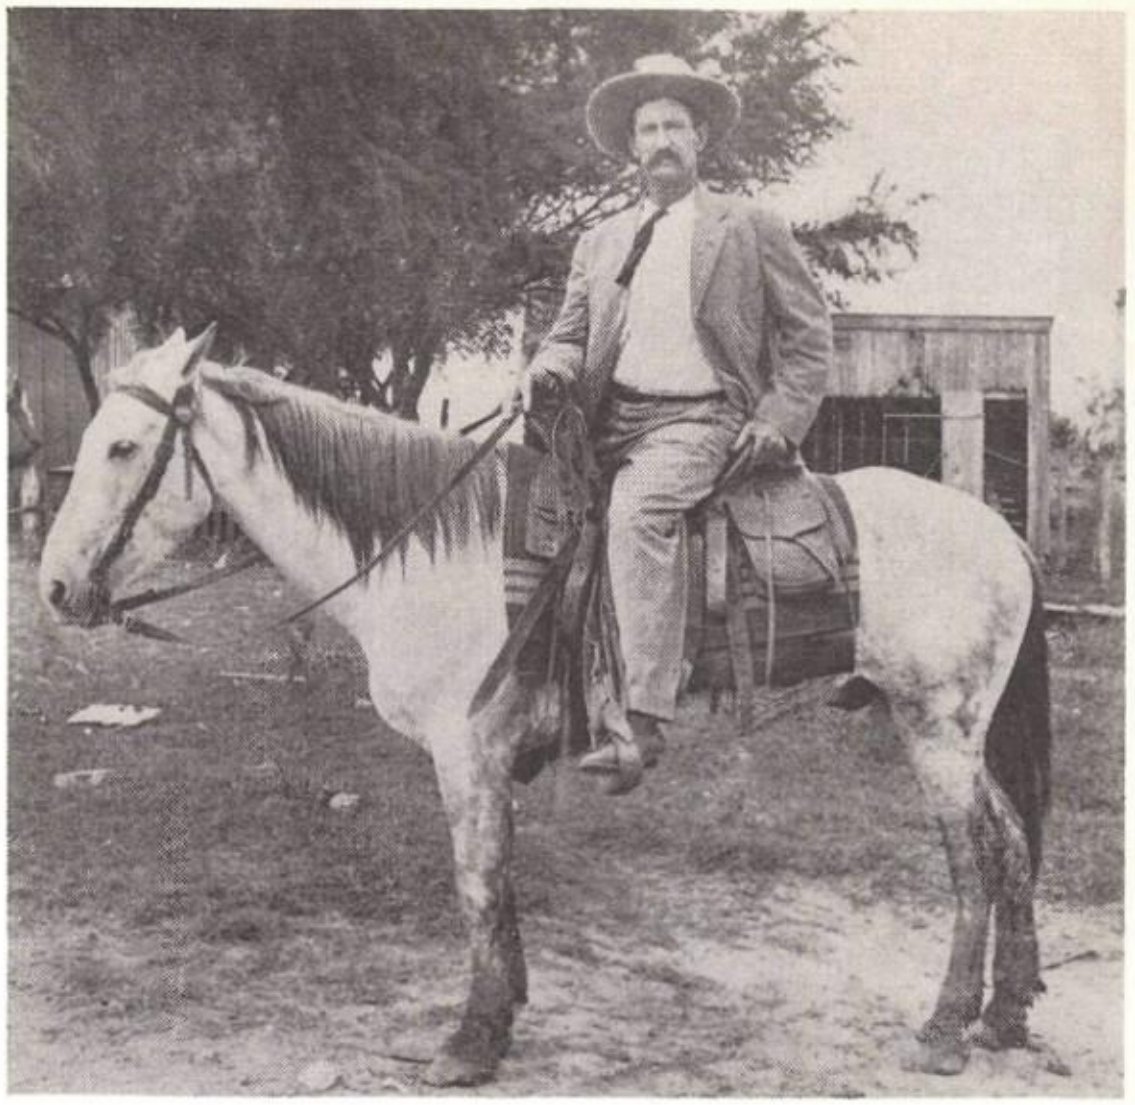
CALALLEN High school

CALALLEN, TEXAS

DEDICATION



The annual staff is proud to dedicate this 1950 edition to the founder of Calallen,

Calvin S. Allen

The son of Mr. and Mrs. Henry S. Allen. He was born in 1860, in Nueces County, within three miles of the town of Calallen. During the active days of his life, he operated off the range and established a ranch of his own, the extent of which covered more than five thousand acres of the finest grazing land in the Corpus Christi area. He herded thousands of head of wild cattle and developed fine herds from a meager begining.

The town of Calallen was founded

August 18, 1910

The hotel of Calallen and many of the other houses that were built in the later days, after the railroads and surfaced highways came, still stand as memorials to the early industry and the activities of Calvin S Allen.

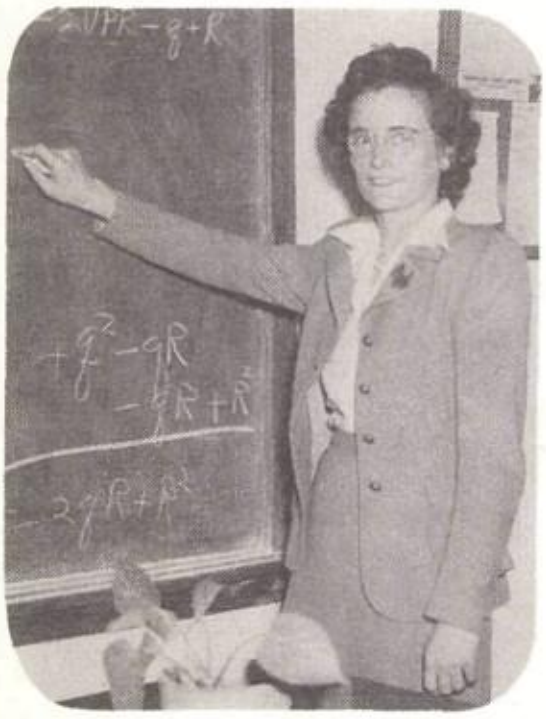
FACULTY



MISS McCOWN, our talented math teacher, is at her best when dealing with children interested in math problems.

MRS. MAGEE, our typing teacher, has been teaching at our school longer than any other teacher. We hope she will keep on for many more years. She is well liked by the entire student body.

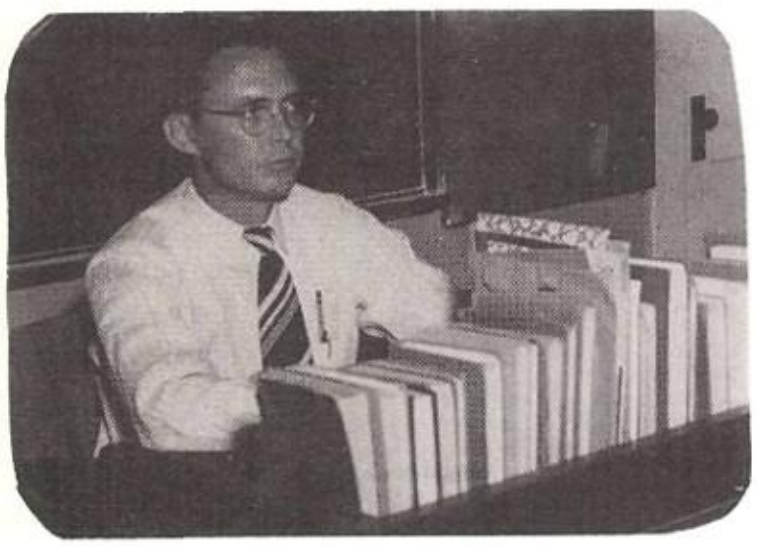
MRS. SELLER, our history teacher, uses the stick in her hand for more than just a pointer. We were only kidding, she is a swell teacher.

"Sugar and spice, and everything nice----" that's MRS. CARROL, our fourth grade teacher.

MISS FINLEY has a full time job, teaching English, sponsor of the annual, ass't. sponsor to the paper staff, plus many other things. Through all this she still has a smile on her face.

MISS BELL, our fifth grade teacher, has us puzzled at which one she is smiling at, the photographer or the frog on her desk.

FACULTY



Don't let that serious look on MR. SELLERS' face fool you. He is merely at the desk. Lighter moments have caught him boosting over-energetic kids in and out windows.

MISS ARMSTRONG, our second grade teacher, has been teaching here several years. We hope she will teach many more.

MRS. WILLIAMS, our third grade teacher, came to us the third six weeks of school. We have all enjoyed having her here.

MRS. LENTSCH, our first grade teacher, is a friend to all students; high school, as well as grade school.

Charming MISS WELTY taught first grade Latin Americans until the last six weeks of school. She then left the teaching profession to go in the business world.

HOMECOMING

Following the football game with Bishop, many former students from Calallen gathered in the gym for the crowning of the Homecoming Queen and King. Graduates from the classes of '43 through '49 were introduced; the class of '46 honorary guest. After some yells and songs by the group, the queen and king were crowned. Hilda Scott was Queen and Laddie Nemec was King.

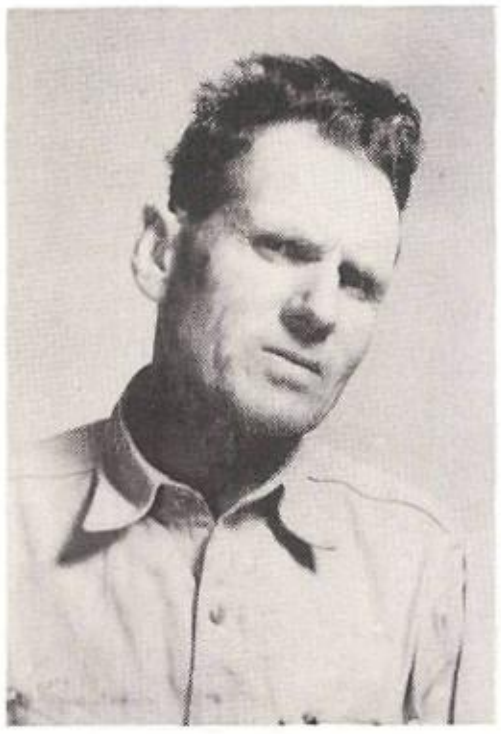
CAFETERIA

The group above are one of the finest cafeteria staffs that has ever worked in our school cafeteria. We would like to express our appreciation for the long hours and hard work, that has made our lunch hour a more pleasant one. They are left to right, Mrs. Baxter, Mrs. Sexton, and Mrs. Curry. Mrs. Mullican joined the staff later during the year.



The students and teachers would like to express their appreciation for the rooms being so nice and clean each morning when we arrived at school. We hope Mr. Atkison will be back next year.
